Chad Meredith Hurley was born on January 24, 1977. He is an American media mogul, co-founder and former CEO of the video-sharing websites YouTube and MixBit.[1]

Hurley was born in Reading, Pennsylvania, the second child of Don and Joann Hurley, and grew up near Birdsboro, Pennsylvania. He has an older sister, Heather, and a younger brother, Brent.

Since childhood, Hurley showed interest in the arts, and became interested in computers and electronic media during high school. He was a standout runner for Twin Valley High School's cross-country program, which won two of its PIAA State titles with him as a member in 1992 and 1994. He was also a member of the Technology Student Association during high school. He graduated from Twin Valley High School, Elverson in 1995 and went on to receive his B.A. in Fine Art from Indiana University of Pennsylvania in 1999.

Currently, he is married to his longtime girlfriend, Kathy Clark. Chad and Kathy dated for a long time before getting married. The couple had a very lavish wedding, and together, they had two kids. Kathy is the daughter of legendary Silicon Valley entrepreneur, James H. Clark. Even after so many years into their marriage, the couple looks very happy together. Kathy is a very supportive wife and has always supported him in his major business decisions

After graduating from the Indiana University of Pennsylvania, Chad started working for eBay in their 'Paypal' division. Being an Arts graduate, Chad's knowledge about the computer was excellent; this helped him a lot to work at the eBay. In fact, he was very good at it, and his work was always applauded and appreciated.

Chad Hurley then met Steve Chan and Jawed Karim. After, working together for a while, three of them decided to start something new to earn some extra bucks. Three of them used their skills together and founded 'YouTube.' Soon after a year, Chad and Chan sold 'YouTube' to Google Inc. for \$1.65 billion.

After some years, Chad and Chan launched another company called 'MixBit' which does video editing using smartphones. Chad is also involved as one of the investors in the US Formula-One team. But, for some reason, this investment seemed to be a failure as the team never made it to the grid that season.

He also has some investments in other sports. He is the part-owner of NBA's Golden State Warriors and MLS' Los Angeles Football Club.

Chad Hurley is a smart businessman who has quite a few achievements to his name. He was selected and included in the magazine business 2.0 ranked No. 28 as a list of "50 Who Matter Now". He has never won any major awards in his life.

He has worked hard and handled his business smartly to achieve the success of this magnitude. Currently, he is living a very happy and comfortable life with his family.
